\_\_\_\_\_ We will be renting vehicles for Convention, transportation needed for students only.

*\*Chapters are responsible for their own transportation to and from the airport in California.*

### Room List:

Provide a suggested room list. We will make every accommodation possible to match students by room, but there is no guarantee. Students will be roomed in groups of FOUR (double queen beds). If a split must be made students will be kept together (three) over a student alone (two and one) if rooming lists/needs allow.

*\*Do not include Delegates in your rooming assignments, as they are housed at a separate hotel.*
